

I am encouraged daily by the different spots on Airl. The announcers pray for the listeners daily. I really need to have that affirmation that people care. In my community we value the alternative music provided by Airl. If Airl didn't play we would lose an important tool for showing Christ to the world. We really need to keep things as they are for the benefit of shut-ins, and people who are just afraid to take a step without first knowing that there is someone out there praying for them, who has been there or who just understands. We need to keep Airl going here because people in my area need to know the love of Christ and it is revealed on Airl radio constantly. Thank you for your time and attention to this very important matter. God bless you. Sincerely,
Jennifer Stone
